CODE OF DRESS POLICY

St Martin de Porres School
RATIONALE
St Martin de Porres School is a Catholic Primary School serving the educational needs of boys and girls from Reception to Year 5 in Hallett Cove Parish in the South West Region of Adelaide. The School was established in 1986, taking the name of St. Martin de Porres, who was a Dominican Brother. In keeping with that tradition and to maintain our identity, the students attending the school wear a uniform.

The following policy provides guidelines for all matters regarding the dress code and presentation in the school.

PURPOSE
The implementation of this policy ensures that every child who is enrolled at St Martin de Porres School does so under the premise that there is a set uniform to be worn which is compulsory.

The Board believes that by the wearing of a uniform:
1. there is justice and equity for all students regardless of parental income
2. we preserve part of our Dominican tradition
3. all children come to school in the same clothing
4. children gain a sense of being part of a family/community at school and when out in the general public
5. children’s self esteem is enhanced and maintained by ensuring there is no competition through fashion change
6. there is support for parents in making it simple to choose clothes for school
7. a sense of discipline and responsibility will be developed in children
8. children are easily recognised when they are off the school property

IMPLEMENTATION
The School Board wishes to stress that when parents enrol their children in this school they agree to comply with the school’s code of dress.

The uniform is supplied through the school’s uniform shop.

School staff will continually monitor the uniform standards and ensure compliance.

In the event of any breach of the school’s code of dress the School Board has directed the following action to be taken.
1. If a child comes to school without complying with the code of dress but brings an explanatory note, no further action will be taken. Any circumstances that result in long-term non-compliance with the code of dress will be addressed by the School Principal for resolution.
2. If a child comes to school without complying with the code of dress and without an accompanying explanatory note, the following steps will be taken:
   a. On the first occasion the teacher will speak to the student about the problem.
   b. A second non-compliance will result in a standard note being forwarded to the parent or caregiver from the teacher requesting that this matter be corrected (Appendix 2).
   c. A third non-compliance will result in a telephone call from the Deputy Principal to the parent or caregiver requesting that the matter be addressed immediately.
   d. Any subsequent offence will be referred to the School Principal for resolution. The School Principal will arrange an interview with the family in an endeavour to seek explanation for the non-compliance with the code of dress. Whilst each case will be judged on its merits, any resolution will always include compliance with the code of dress.

The Board can appreciate that there are occasions when a uniform may need repair or can be subjected to last minute accidents. This situation can easily be accounted for with a simple note of explanation from the parent or caregiver to the teacher. This action would prevent any misunderstanding or embarrassment. Alternatively, if your child does not have the correct uniform because of financial difficulties, parents or caregivers are requested to contact the school so that assistance can be provided.

The Principal and staff have been directed to enforce this policy, by the School Board.

CHANGE OVER OF THE UNIFORM
The summer uniform is to be worn in Terms 1 and 4 and the winter uniform is to be worn in Terms 2 and 3. However, a two (2) week lead in period at the end of Term 1 and beginning of Term 2 and again at the end of Term 3 and beginning of Term 4, gives students the flexibility to wear either uniform depending on the weather.

JEWELLERY and MAKEUP
For safety reasons, the children are permitted to only wear minimal amount of jewellery. This may include:
1. watch
2. plain gold or silver, sleepers or studs as earrings, maximum of one per each ear lobe
3. apart from sleepers or studs in earlobes, no other visible body piercing is permitted
4. no makeup or nail polish is to be worn at school
5. Cross and chain – simple and plain

HAIR
For community health reasons hair needs to be neat and tidy at all times and should not hang down across the eyes or in front of the shoulders when leaning forward. Therefore:
1. Shoulder length hair or longer is to be tied back at all times.
2. A plain ribbon or solid headband maybe worn (colours found in the school emblem, i.e., light blue or dark blue).
3. Extreme hair styles such as spiking, patterns, severe cutting (less than a number two clipper cut), or artificially coloured hair is not permitted. A small amount of hair product which enhances neatness is acceptable.

NB. This policy applies to both girls and boys. The purpose of restraint upon hair style is not to stifle individuality but to channel it within limits that emphasise cooperation and identification with the whole school community.
