We believe that music education should be both affordable and of the highest quality. We do this by charging a fair termly fee for what we know to be an extremely valuable service. We invest in the very best teachers and excellent resources - after all, the value of your lessons can only be based on your progression - and you can't do that unless you have excellent teaching.

Feedback from our students

What most impressed us is that the teachers are open and communicative with us as the parents - so we feel involved in the whole learning process. The communication is timely, constructive and friendly so that Grace progresses musically in an encouraging and positive environment.

Jennifer Shie - Mum of Grace Wan

The teachers are passionate educators and use innovative teaching methods. Frankie has been playing for 6 months now and it has increased his overall resilience and confidence - as well as learning the piano.

Rebecca Smith - Mum of Frankie Smith

Dan, Carlie and Nadia are amazing. They are dedicated and passionate about music. My little Miss loves piano lessons and has now started Choir. They offer a beautiful family environment and genuinely share and inspire their passion of making music with my daughter and others that they teach.

Kylie Baker - Mum of Abby Baker

THIS IS US

The Pathways Difference...

PRIVATE TUITION

Our one-to-one lessons have a tailored syllabus designed for individual learning of all ages.

Each term we set out what your child wants to achieve from classes and we work hard to meet that goal: We have students that learn for their own pleasure, others that want to take exams, play in bands or just learn their favourite songs. Whatever the goal, we get there together.

DUO LESSONS

Our new 'Little Keys' and 'Junior Keys' programmes are ground-breaking new courses specifically designed by us for their prospective age ranges. Lessons are delivered in pairs, which helps younger students build their confidence and share the learning journey with a friend.

For more information on the different types of lessons available please visit our [Website](#) or [Facebook page](#) for videos, testimonials and more.

Something extra special...

We pride ourselves on doing things a bit differently: We provide our students with the opportunity to grow their knowledge and understanding of music (and their instrument) by providing additional opportunities outside of school - including: Jam Sessions (Improvisation), AMEB preparation exam Masterclasses, Composition, Song Writing, Ensemble, Recitals and Annual Showcases.

We communicate with parents by offering written feedback after every lesson. You can contact us anytime to discuss your, or your child's learning - everyone of our students and their families are very important to us and we will always do our utmost to help and support you.

CHOIR SESSIONS

In 2017 we decided to create a choir for kids aged 4-18. We have so much fun together and sing a wide range of different songs from a variety of genres, whilst also learning about music theory, rhythm, harmony and working together as a team! We have been very lucky to have had performance opportunities at the Elder Hall, Westfield Marion, Brighton Performing Arts Centre and Adelaide Airport and we have many more to come!

The choir is a completely separate, non-for-profit arm of the Pathways music school - and lessons for current students (who have an instrumental lesson with us) are just \$50 for an entire term of 90 minute, weekly classes (120 mins for teens). For non-pathways instrumental students we charge \$100 per term.

We run the choir at our studio in Flagstaff Hill on Saturday afternoons.

From 3pm - 3:30pm we have a specialist teen choir lesson. Children ages 11+ are welcome to attend this session.

At 3:30pm the rest of the choir join the teens and rehearse for 1.5 hours.

At Pathways we're passionate about learning and love to bring the wonder of music to everyone.

We do this by being different: We focus on the music your child wants to learn, igniting the spark of learning by having fun, and making superb music right from the first lesson.

We know kids can do amazing things; but only when both challenged and supported. Our mid and end of year Concerts for example, are truly a humbling experience for us as teachers as we get to see the joy, hard work and passion of our students, brought to life through music.

Everyone lives and breathes music every day - from radio, TV, movies, singing, and even in the street! Being involved in that process by *playing* an instrument is so empowering, we think everyone should do it.

Pathways Music School is a family run business. We offer instrumental lessons in Piano, Guitar, and Vocals for all ages in a supportive and encouraging environment with a syllabus uniquely tailored to you, the student. Other instruments are available at our studio in Flagstaff Hill. If you are interested please contact us for more information.
